

**Eastern Illinois University**  
**College of Liberal Arts and Sciences Position Announcement**  
**Assistant Professor in Chemistry and Biochemistry**

The Department of Chemistry & Biochemistry at Eastern Illinois University invites applications for a tenure-track assistant professor of Analytical Chemistry starting in August 2020. A Ph.D. in chemistry or a closely related field is required, with post-doctoral experience preferred. Teaching duties will include undergraduate and graduate (MS) courses in analytical chemistry, as well as general chemistry/general education courses. Individuals who are qualified to teach courses in both analytical chemistry and another area of chemistry are especially encouraged to apply. Establishment of an active externally funded research program with undergraduate and MS students and participation in department and university service activities are expected. Teaching may include traditional, hybrid, and/or online modes of delivery/instruction. Demonstrated commitment to diversity and experience with promoting inclusive excellence is required. Applications must be submitted to Interfolio at <http://apply.interfolio.com/65256>. A complete application includes a cover letter, CV, statement of teaching philosophy (including experiences in and plans for promoting diversity and inclusiveness), proposed research plans, graduate & undergraduate transcripts. Applicants must also arrange for three letters of recommendation to be uploaded by recommenders to the same link.

Application review begins September 16, 2019 and will continue until the position is filled. Inquiries may be directed to Dr. Zhiqing Yan, Search Committee Chair, at [zyan@eiu.edu](mailto:zyan@eiu.edu).
