

Eastern Illinois University
School of Technology Position Announcement
Non-Tenure Track in
Computer and Information Technology / Master of Science in Technology

The School of Technology at Eastern Illinois University invites applications for a non-tenure track instructor position starting in August 2021, subject to available funding. A minimum of a Master's degree in Computer Science/Information Technology or a closely-related field is required, with preference to applicants who have industrial experience.

The successful candidate will be expected to be responsible for teaching undergraduate and graduate courses related to computer technology. A typical workload per semester will include 3-4 courses in classroom/laboratory. In addition, mentoring undergraduate and graduate students in computer technology related research, and contributing to the ABET accreditation process are expected. Commitment to diversity and inclusive excellence is required.

Review of applications will begin on April 1, 2021 and will continue until the position is filled. Applicants must submit a letter of application (cover letter), statement of teaching philosophy, curriculum vitae, undergraduate and graduate transcripts, and names of three references (with whom you have collaborated within the last 5 years) with contact information, to Interfolio at <http://apply.interfolio.com/83770>. For questions regarding this search, please contact Dr. Toqeer Israr, Search Committee Chair, at taisrar@eiu.edu.
